We would like to specifically thank you for your generous donation for these events. Djakarta Old Golf Society has been our frequent donor, which we are very grateful for, and we do hope we can enhance the cooperation for many years to come.

The event which marked the 8th Annual Asian Tigers 45-Hole Challenge and the 3rd Annual Asian Tigers 18-Hole Competition have been completed with yet another success albeit in the current condition. We are thrilled to share you that this year, we raised a total amount of **IDR 172.905.500,-** from sponsorships, ticket entries, raffle tickets, mulligans vouchers and auction. We are delighted with this achievement, and our heartfelt thank you goes to all of you for making it possible.

This fund will be dedicated to support [ASTI](#) (Animal Sanctuary Trust Indonesia) to support their efforts in conservation program for endangered Sumatran Tigers and other endangered species.

We also would like to encourage you all to regularly support ASTI in filling-in the attached **Donation Pledge Form** and sending it thru us or you can directly contact **Andy at +62 812 8228 341**. Update and progress of projects will be posted in both of Asian Tigers website : <https://www.asiantigersgroup.com> or their official social media accounts such as Instagram [@asiantigersindonesia](#) and Facebook [@asiantigersindonesia](#) on a regular basis.

We hope you found the event enjoyable, interesting and beneficial, and most important that you have contributed to a good cause.
