Welcome to July and August Newsletter

We thanked God for the opportunity to continue to be His blessed instrument to those who are in need.
We are extremely grateful for the faithful and generous donors God had sent to us.
We also appreciate the support of prayers for Tanya's Ministry to continue on.
To experienced all this goodness in Tanya's Ministry would only be possible by his grace alone.

The month of July Tanya had the chance to re-visited her Mentor Bang Ucok and His wife in Bali. A channel was open to extend your donations to outside of Jakarta into Bang Ucok's ministry. Through his ministry, we supported the adoption son of the couple named Raphael.

Raphael was born out of wedlock from street teens couple. The teen father abandoned the pregnant teen girl. The teen mother attempted to abort her unborn baby but failed. Bang Ucok and Elsa discovered the pregnant mother on the street and helped with the remaining of her pregnancy. When Raphael was born the missionary couple took over child care since the teen mom doesn't want to be a mother. Out of love and compassion for the newborn baby, the couple officially adopted Raphael. The adoption process and raising a newborn baby for bang Ucok and his wife was difficult. By God's grace, Raphael now is a grown boy with an impressive bible knowledge. Raphael does have a learning disability and delayed in overall growing up process. He is homeschooled by the couple. Your donations helped to purchase education books for Raphael to keep learning.

Some of your donations in August also helped support Pastor Opan and wife Uly Goeslaw son who just entered the University. Pastor Opan and his wife Uly have been through a hard time last year. Their youngest son passed away in December 2021 cause of heart problems. his name was Julio, died at the age of 12 years old. Following the son's death, their life continue to struggle financially. Due to pandemic there was no speaking invitation at churches and social events. Which the couple generated their main income from these invitations. Tanya's Ministry have arranged donations every other month to help Pastor Opan and his family. Please continue to pray for Pastor Opan and his family along with Band Ucok, Elsa and their adopted son Raphael. If you feel move to help them in any way, please contact Tanya to discuss further detail information.

Donation to support the 5 Middle High School students in Palu have already been distributed.
Their names are: Sofin, Delvin, Suci, Celsi, and Ferni. Support are given for their living arrangement and basic food plus personal needs.
The total donation is one million and five hundred rupiah goes to them monthly. If God is willing, Tanya has plans to visit Palu in October and might meet with these students.

In August 21, 2022, a horric fire incident happened in Simpruk area. It burned down majority of the housing. Estimated around one thousand victims were affected by the fire incident. Some were injured, loss their homes or badly damaged. The victims had to move in a temporarily relief homes provided by local people and social organization. Tanya worked together with Gerak Bareng for 5 days to help the victims with your donations.

Day 1 and 2, Tanya and volunteers distributed 100 pre packed food and bread. Day 4, basic food ingredients were donated to open a temporary kitchen to cook for 200 families.
